

No.of vehicles in the road over time

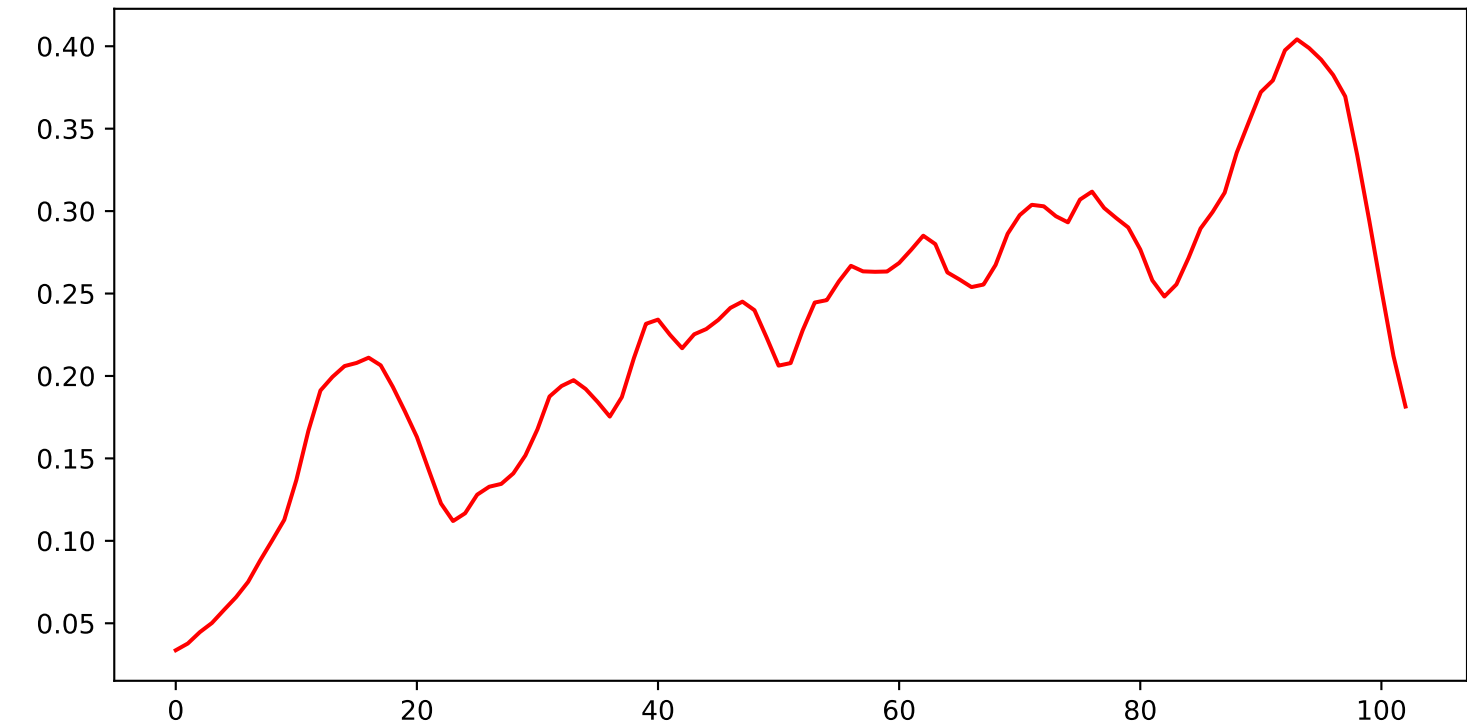

Congestion index of vehicles in the road

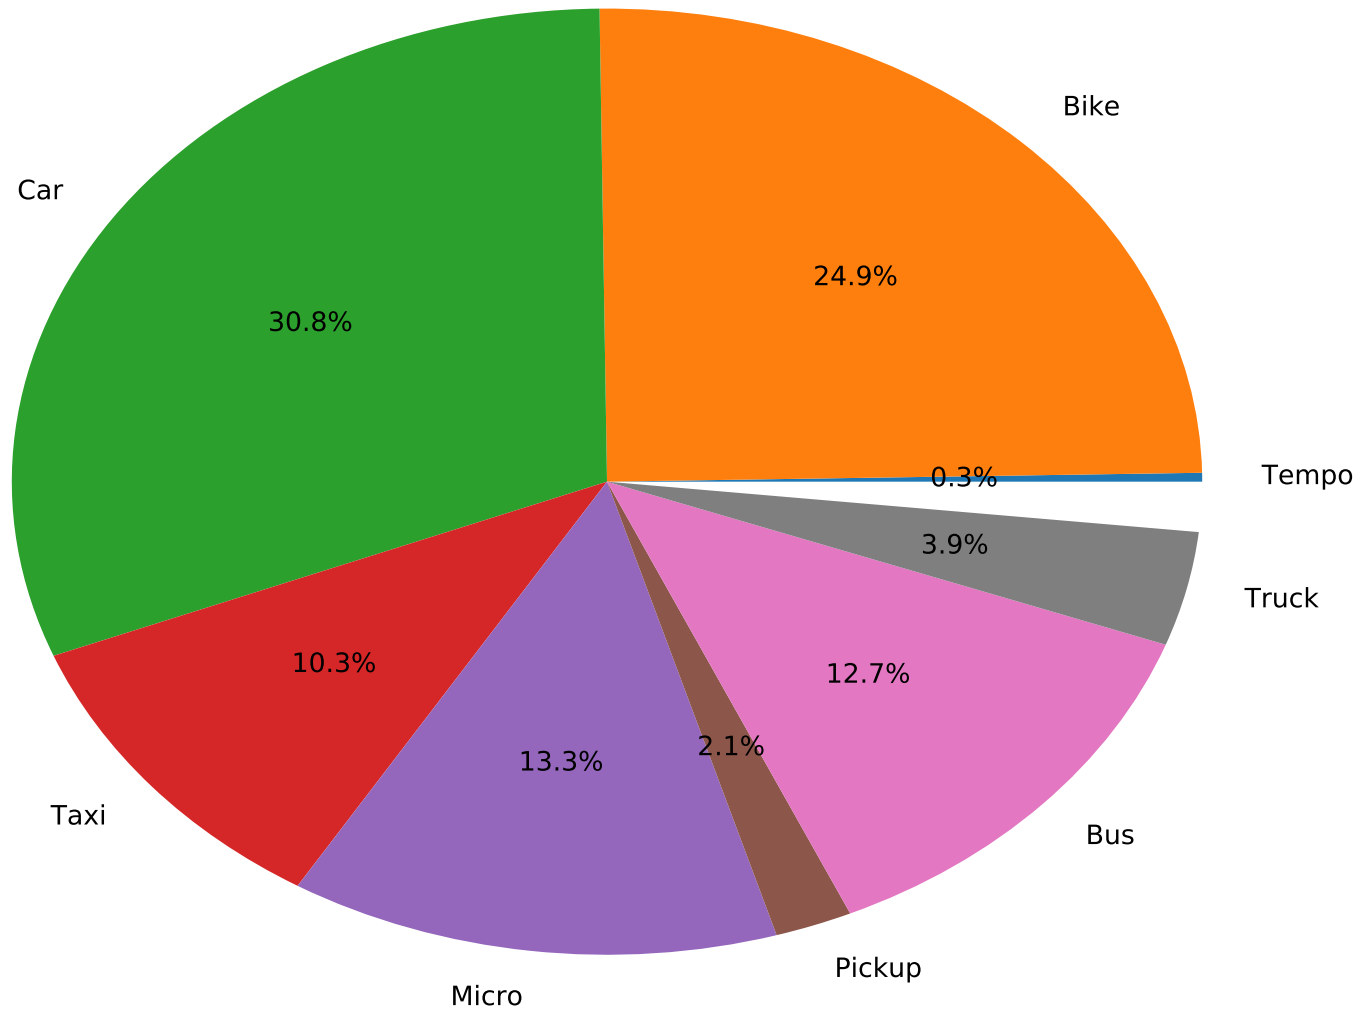

Rolling average of no. of vehicles in road convolved over 11 seconds

Rolling average of congestion index convolved over 11 seconds

Contribution of different vehicle classes to the average congestion over the entire period

Total no. of outgoing vehicles from the road in the analysed time interval

Tempo	Bike	Car	Taxi	Micro	Pickup	Bus	Truck
1	98	31	13	10	2	5	2

Average summary of traffic mobility in the analysed interval

Average Congestion Index	Average number of vehicles in road at a time
0.2340485436893204	8.941747572815533
